

VIOLINS OF HOPE

EAST BAY 2026

Sponsorship

Returning to the
East Bay Area
Fall 2026

About and Background

Our mission is to create a comprehensive resource in the San Francisco East Bay area to educate people of all faiths about the Holocaust and honor its victims. We also wish to promote a spirit of universal tolerance and peace, using the lessons of the Holocaust to serve as a reminder that genocide can happen at any time, at any place.

We are committed to preserving the memory of this horrific event by providing educational programs for residents of the San Francisco East Bay region.

In 2023, over 17,800 people attended the 67 Holocaust educational events of Violins of Hope East Bay. And with your help, we plan to bring this successful and inspiring program back in Fall 2026.
